## Considerations for planning your Wedding

- Time of day for ceremony
- Ceremony location
- What will you wear, remember this is the tropics. Light clothing, simple make-up, insect repellent and non high heel shoes can make your day much more comfortable.
- Type of ceremony (religious or non denominational)
- Number of guests (do you have witnesses, or do you require Hamanasi to provide?)
- Cake - will you want to do a ceremonial cake cutting after the ceremony and what type of cake will you want? Where would you like the cake set up?
- Photographer - do you want professional photographer services?
- Champagne - would you like a ceremonial toast after the ceremony?
- Meals- will you be having a reception after the ceremony or will you require a private dinner set up? Do you require a private rehearsal dinner? Do you have any special meal requests or requirements that you need to inform Hamanasi of prior to your arrival.
- Extras, do you want to add any of our special Additions to the ceremony or your stay with Hamanasi?
- Payment, Hamanasi requires an advance deposit of 50% of anticipated revenue at the time of booking your wedding with **full pre-payment due no later than 45 days** prior to arrival. We do not offer refunds for cancellations made less than 45 days prior to arrival.
- **Please remember you need to be in the Country at least 3 days prior to applying for a marriage license so it's best to plan your stay in Belize for at least a week.**
